

EINDHOVEN LUMINEERS SPOTLIGHT!

#02

Juli '26

The first training sessions are behind us....

and we can't wait for more!!

We thoroughly enjoyed the first Eindhoven Lumineers training sessions! In June, players and coaches came together on the court for the very first time, and the energy was evident from the start. New friendships were formed, the joy of basketball was everywhere to be seen, and the first steps towards building a strong club culture have been taken. While our players continue to develop on the court, we are also working hard behind the scenes to build our club. Together with several partners from the region, we are laying the foundation for a club where basketball, fun, development, and community are at the heart of everything we do. In this newsletter, we are excited to introduce the new partnerships that Eindhoven Lumineers has established over the past few months. Tip: Check our website for the most important dates leading up to the first game of the new season!

Eindhoven Lumineers has entered into a partnership with Decathlon Best! This collaboration marks an important step in our shared ambition to help basketball continue to grow in Eindhoven. Decathlon Best supports us by providing basketball equipment, including FIBA-approved basketballs, that help further develop Eindhoven Lumineers.

Thanks to this partnership, all members received a €10 Decathlon gift card during the final training session in June. Perfect if you're looking for new basketball gear or other sports equipment. We kindly ask all members to use the Lumineers Sports Card for future purchases as well (shared in your team WhatsApp group at the end of June). By doing so, the club receives 10% of the purchase amount as store credit. So, visit Decathlon Best, use your gift card, and don't forget our Lumineers Sports Card!

We are extremely proud of this partnership and would like to thank Decathlon Best for their trust and support in helping us build Eindhoven Lumineers and grow the sport of basketball in Eindhoven. Milan Lebens, Store Director at Decathlon Best, on the partnership with Eindhoven Lumineers: *"The Lumineers' initiative to make basketball more accessible throughout the region perfectly aligns with our own vision of making sport accessible to everyone. We are therefore incredibly proud that Eindhoven Lumineers has chosen to play with our equipment, demonstrating great confidence in our brand. Together, we are helping to put the Eindhoven region even more firmly on the sporting map."*

Partnership with De Fysio vrienden Official Physiotherapy Partner of EHV Lumineers

Great news that we're proud to share: starting next season, we will be joining forces with De Fysio vrienden, our new Official Physiotherapy Partner. Together, we will help our players take the court fitter, stronger, and more confident, while doing everything we can to prevent injuries before they occur.

What does this mean for you? Every month, De Fysio vrienden will host a free walk-in consultation during our Thursday training sessions at Tivoli. Players, parents, and coaches are welcome to stop by for a quick injury check, advice on training load and recovery, or simply to ask a question. If additional support is needed, they will be happy to help. Throughout the season, De Fysio vrienden will also organize several practical sessions for players and coaches, covering topics that can make an immediate difference, such as proper warm-ups, mobility, strength and stability, and managing training load effectively.

This partnership means that players will receive faster and better support when dealing with injuries and physical complaints, while we continue to invest as a club in injury prevention and responsible sports participation. Not distant healthcare, but a trusted partner who thinks along with you and stands by your side. After all, that's what friends are for. We look forward to a successful partnership and will share more details in the near future.

Where Basketball Meets Dance

Eindhoven Lumineers and Step by Step join forces

Step by Step Eindhoven is a well-established dance school in Eindhoven that has been developing young talent for many years. With a wide range of dance styles and a strong focus on fun, personal development, and performance experience, Step by Step is a valuable partner for Eindhoven Lumineers. Together, we will bring more energy, entertainment, and excitement to our game days. We do need a little more patience, though. Just like our basketball players, the dancers of Step by Step will use the first few weeks of the season to perfect their new routines. Starting in October, they will bring extra energy, entertainment, and excitement to selected home games.

Season Kick-Off

Saturday, August 29 & Sunday, August 30

We will kick off the new season with a series of friendly games for all our teams. It's a great opportunity to continue growing as a team, gain valuable game experience, and most importantly, have fun. Be sure to save the dates in your calendar, you won't want to miss them! The schedules and match details have already been shared in the team WhatsApp groups. Additional practical information will follow after the summer break. We can't wait to play our first games together as Eindhoven Lumineers!

A Historic Moment

Eindhoven Lumineers has played its very first (friendly) game

From a sporting perspective, it was a tough game for our M16 team against E.B.C.G. Facing a team that plays two divisions higher, the difference eventually showed on the scoreboard: 90-33. However, for a brand-new team, what stood out most was the potential, enthusiasm, and love for basketball within this group. Just as impressive was the support from the stands. The turnout and level of engagement were fantastic. That kind of support gives us energy and perfectly reflects what Eindhoven Lumineers is all about: #TogetherWeShine

Contribution & Uniform Reminder

In our previous newsletter, we informed you that Eindhoven Lumineers would start collecting membership fees through a payment request from June 22 onwards. By now, everyone should have received this payment request. We kindly ask you to complete the payment as soon as possible. For more information about membership fees and team uniforms, please visit the "Become a Member" section on our website.

Finally

Have a Wonderful Summer Break!

We would like to wish everyone a fantastic summer holiday! Take some time to relax, recharge, enjoy family and friends, and hopefully plenty of sunshine.

Have you taken a great basketball photo this summer? Send your funniest, most impressive, or most creative basketball photo to info@eindhoven-lumineers.nl and stand a chance to win a basketball generously provided by Decathlon!
